57 Minute Explosion! Series

KEYNOTES & WORKSHOPS

Buried Treasure

Employee Retention & Company Culture,
Customer Service & Sales

Gold, Pearls, Rubies & Diamonds. Your treasure has been there the whole time.

You'll be surprised at what you and your employees will uncover during your treasure hunt with Ricky Chan. This new and unveiling perspective will change your company's culture, employee's attitude and your bottom line. RC Guaranteed!

Have you hugged your Customer today?

Imagine a perfect stranger wanting to pay your rent, by you dinner even offer you an all expensed paid vacation. Truly understanding your customer is who pays your way through life, will make you want to get down on your knees to thank them and show a sincere appreciation for doing business with you. Enjoy a funny skit that will illustrate how to thank your customer that will get you repeat business and a customer for life.

Going straight to the heart and emotions. Ricky Chan will take your group up, up and away to give them a bird's eye view of their own life, the company's goals and how both will benefit, if understood.

Genuinely, understanding and respecting your employee's view on life will create a culture that is a win, win, win.

Giving 10,000 Percent everyday!

Introducing the Ricky Rope, patent pending, Time Management tool. It will show them how to balance time, daily, weekly, and yearly. It will show how little time is actually spent at work and what little time they have in LIFE. This reality will change their attitude, while at work & at home. Management and customers will see the results of the increased productivity.

What color is your GRASS?

The grass is always greener is killing today's work ethic and employee retention. Ricky Chan dives deeper to illustrate the true color of everyone's grass at home and at work and why it's important to water, weed and groom the grass your already standing on.

There's no business like show business!

I work hard for my money. When I decide to spend it with your company I want a show! From the person that answers the phone to the janitor. EVERY "actor" in your company must know how important their role is. How Packaging yourself will increase sales and add more value. Mickey Mouse never has a headache.
